

Category five minutes with lim windham

By: Brian Bosarge

BRIAN BOSARGE: I am here with Lim Windham, senior for the Hurricanes. First off Lim, tell us what it means to you being a senior leader for the Canes.

LIM WINDHAM: The biggest thing is knowing that a lot of your teammates are looking up to you, and they are counting on you to do what you do to help the team. If you start dragging and let them down, it makes them think it's right because you are doing it too.

BB: What has it been like working with the new coaching staff?

LW: It is big. You know they are big time guys. They have been to the next level. They teach you so much, you just have to take it all in because you know it will help you in the long run.

BB: Last year you had a phenomenal season, breaking nearly every school receiving record. Tell us what you have planned for an encore this season.

LW: I have three goals for this season. My first goal, with me playing running back now(as well as receiver), I would like to set the all-purpose yardage record. My second goal is to be Mr. Football Alabama for 6A. My third goal is to play in the Alabama-Mississippi All-Star Classic.

BB: Having a great season last year has obviously brought you plenty of attention from the next level. Tell us about some of the schools that are recruiting you, and the ones that offered you a scholarship.

LW: As of right now South Alabama, Marshall, Arkansas State, and South Carolina have offered me a scholarship. The biggest school there is, of course, the SEC school, South Carolina. They are my favorite right now. I like them a lot. They are a big school, and if you go there and learn from a great coach like Steve Spurrier, anything can happen.

BB: What are the most important things you are looking for in the college or university you choose?

LW: The biggest thing is I want to go somewhere that will help me exceed in life. I don't mean just in football , but in life after football. I want to go somewhere that can give me a great education, a good life experience, and just to have fun.

BB: Lim, this year you have been named a member of the All Decade Team at Alma Bryant. I am going to say also that you are one of the five best players to ever play at this school along with current Cincinnati Bengal Antwan Odom, former Auburn Tiger Brandon Johnson, former Southern Miss linebacker Dewayne Lavelle, and Lynn Thompson. What do these honors mean to you?

LW: That is really big. To even be considered for anything like that involved with this school is huge. This school is strictly built on tradition and excellence. It just makes me want to strive to do more.

BB: Thanks for your time Lim. Good luck this season and with whatever college you choose next year.

LW: Thank you, Mr. Bosarge.
