

SPRING TRAVEL

Get more out of your Spring Season!

In the pursuit of athletic excellence and the opportunity to give our children the best chance to perform well in our Summer travel baseball programs, we have partnered with Frozen Ropes to put together travel teams which will practice and play in Cortlandt.

Teams will be formed in the 9U, 10U, 11U and 12U (50/70) divisions.

Training will include one team practice per week in Cortlandt, unlimited tunnel time in the Frozen Ropes state of the art training facility (walk-in only), and Pitching, Catching and Hitting workshops during the season at Frozen Ropes.

Sunday doubleheaders will be played weekly from March 28th—May 23rd.

Home games will be played on C.A.L.L. fields.

\$350.00 per player

Includes Dri Fit Jersey with number, hat, balls and all league fees, umpire fees, unlimited walk in tunnel time along with Pitching, Hitting and Catching Workshops with Frozen Ropes Certified Instructors.
