On behalf of Surrey City Council, I would like to wish the Whalley Chiefs organization all the best as you complete in the 2013 Season. I am sure will you will make us proud this year, like you do every year!

I am sure that this season will be a fantastic display of the hard work and dedication the Chiefs invest into their sport. It is my hope that this season will bring with it new opportunities for skill development, personal growth and the continued development of team spirit.

The Whalley Chiefs have proven themselves as great representatives of the City of Surrey and the entire Fraser Valley. I would like to thank the parents, coaches, sponsors and the BC Premier Baseball League for the invaluable support and involvement in minor sports.

All the best and good luck in the upcoming months of competition. I hope that this will be your best season yet!

BRYON KENNEDY HEAD COACH

Bryon Kennedy starts his 2nd year of the Premier Chiefs as head coach. Bryon coached the Cloverdale Midget AAA club this season. Bryon is from Penticton and played HS baseball in Penticton and then in the Intercounty Baseball League in Ontario for the Hamilton Cardinals. He played a few years in independent baseball and ended up back in the BC Interior. Was the Ass't Coach of the PBL's Penticton Thunder in 2004 before moving to the lower mainland. Worked at the Ball Park Training Centre in Richmond for 3 years as a hitting, fielding and catching instructor. Played in the PIL for the past 5 years as a mid infielder before committing to become an assistant coach in Cloverdale. He was recently selected as assistant coach of the Midget AAA BC Selects National Team. Bryon is also the owner of Kennedy Wood Bats.

GORD KERR CONDITIONING COACH

Gord's first sport was baseball, which he started when he was five years old. He went on to play with the Surrey Sabres and was scouted by the San Diego Padres and Houston Astros. During his last year in baseball, Gord made the roster of the BC baseball team. Gord excelled at other sports as well throughout his high school and post secondary years.

While studying for a degree, Gord was very involved in sports. He earned his NCCP certification in a number of sports including baseball.

After graduating with a degree in Human Kinetics from UBC, Gord married and bought a house. He was hired by his summer employer, which led Gord into the field of Engineering.

In the mid 1990s, Gord started a company with a fellow grad student, and working with the coach of the Vancouver Voodoo Roller Hockey team, they developed a training program. This training program was later used by Coach Dave Cairns for the Canadian Junior Hockey team.

Gord has been coaching sports in the community and schools for 22 years. He has coached both of his children in softball and baseball and he also coaches soccer during baseball's off season. Now in his 4th season with the Chiefs.

Currently, Gord works for the City of Surrey Engineering department. He has written and implemented "Safe Lifting and Back Care" program for City employees. He is also a consultant with Quantum Sports Development in Los Angeles. He lives in Surrey with his wife Jennifer, and children Erin and Aidan.

*"The older I get,
The better I used to be."*

~ Baseball Quote

ADAM QUAN STUDENT COACH

Graduated from the Fraser Valley Chiefs PBL program in 2010 after playing center field for 3 seasons in the program. He was a member of the 2009 BC Selects and was named to the first team all conference in 2009 and second team all conference in 2010. He earned a scholarship to play for the UBC Thunderbirds while studying Kinesiology.

After a year and a half in the program at UBC he chose to dedicate more time to his studies and left the baseball team. He has now completed his third year of Kinesiology and is striving to get into medical school once his undergraduate degree is complete.

His passion for the game has brought him back to share his experience and knowledge as an assistant coach. He will be an excellent role model and asset to the team.

PAUL HARGREAVES GENERAL MANAGER

Paul began his General Managers job with the Chiefs back in 1999. Now in his 15th season his objectives remain the same. First off, help develop & support High School aged players on to the next attainable level of baseball. Help them compete both on the playing field and in the classroom. Secondly, give the parents a strong knowledgeable coaching staff, make a competitive game and tournament schedule and keep playing costs to a minimum.

Retired after 33 years with General Motors Corp. Detroit. Graduate of Bowling Green State University in 1976 where he played hockey. Some BG alumni include Mike Liut, Ken Morrow, George McPhee and Canucks Kevin Bieksa. Lives in Surrey with his wife Betty and spends winters at their place in Phoenix.

There you can find him at Turf Paradise RaceTrack or Goodyear BallPark.

Special thanks to my friend Greg Greaves for his countless hours donating their time at Whalley Ball Park keeping it the best facility in the PBL.

MIKE ADDY ASSISTANT COACH

Mike Addy returns to the Whalley Chiefs after spending a season in North Delta as the head coach of the Junior Blue Jays; prior to that he spent four seasons as an assistant coach with the Chiefs at both the Junior and Senior levels. Mike played for both Surrey Canadian Baseball and Whalley Little League until an injury forced him to stop playing. He decided that coaching would be a great way to give back what he was given for so many years. Mike brings many years of playing and coaching experience to the team, and looks forward to being back on his home field at Whalley. The highlight of Mike's coaching career so far is his trip to the Senior League World Series in 2008.

His accomplishments include:

Coach of the 2008 Whalley Little League Senior All Star team that finished 3rd at the Senior League World Series in Bangor, Maine.

Coach of the Zone 4 Gold Medal winning BC Summer Games baseball team in 2010.

2 appearances at the BCPBL Final Four including a 2nd place finish in 2009 and a 3rd place finish in 2010.

BRAD FITZSIMMONS STUDENT COACH

Played his last high school year for the Chiefs playing second base and pitching, before moving on to the Douglas College Royals as a pitcher. He enrolled in general studies focusing primarily on the English.

After his first year as a Royal he came back to the Chiefs organization to help with the pitching aspect of things. Hoping to share what he learned at the college level, with the Chiefs pitchers to someday allow them to play baseball at a post secondary institution.

Brad brings youthful enthusiasm and a strong work ethic to the staff.

MAJOR LEAGUE BASEBALL SCOUTING BUREAU

Dear Chiefs , Fans and Supporters,

On behalf of Major League Baseball it gives me pleasure to be able to contribute to your Media Guide.

The BC Premier League comprises the top caliber high school aged players in the province.It's the home for all of the players on the BC Select Team and is a model of success for all of the country to follow.

The Whalley Chiefs have consistently produced players capable of playing at the next level of competition, whether it be professional or college.This happens as a result of quality instruction and a commitment to hard work.Since 1991 when Canada became part of the MLB draft, the Chiefs have had 18 players drafted by professional baseball clubs.Kevin Nicholson , Aaron Myette and Adam Loewen were all 1st rounders or supplemental picks in the 1st round.No other team in Canada can say that.

Congratulations to the entire Whalley Baseball organization from the Little League to Paul Hargreaves and the PBL Chiefs for continuing the tradition of excellence.

Keep up the great work and good luck this season.We'll see you at the park.

Best regards,

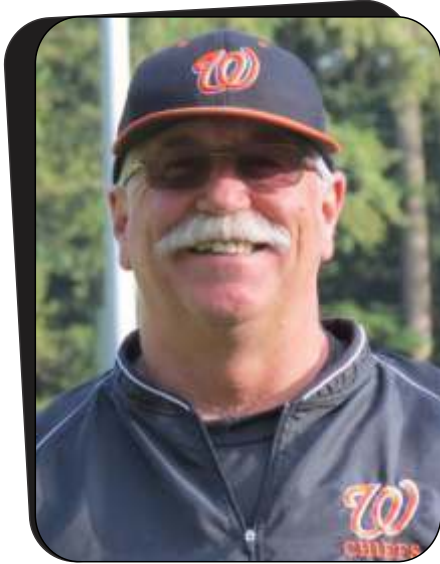

Walt Burrows

MESSAGE FROM THE PRESIDENT OF BASEBALL CANADA

On behalf of Baseball Canada I am pleased to congratulate the Whalley Chiefs as they embark on the 2013 season.

The Chiefs have been in the Lower Mainland since 1965 and specifically in Whalley for all but 4 of the last 25 years. The Chiefs have enjoyed the guidance of GM Paul Hargreaves for the past 15 seasons. And coach Dennis Springenatic for 20+ seasons.

The Chiefs have long history for presenting competitive teams and developing outstanding talent. First round Major League Baseball draft picks Kevin Nicholson, Aaron Myette and Adam Loewen are all products of the Chiefs organization. Baseball Canada has been fortunate to have had seven players from the Chiefs organization on the Junior National Team since 2000.

I am confident that with the return of the coaches and many players, the Chiefs will enjoy another successful season.

Best wishes and good luck to the team and their many supporters.

Sincerely,

Ray Carter
President
