Jr. Chargers Coaches Application

2015-2016

The need for quality basketball coaches in the Jr. Charger Basketball Program is a necessity. We are currently accepting applications for coaches. Coaches selected the previous year do not automatically qualify to coach the current season. Coaches must re-apply and will be evaluated every year along with any new candidates. Knowledge of the game along with the ability to: teach skills/fundamentals, motivate, and effectively communicate with players/parents is required.

If you believe your approach to coaching basketball is consistent with our club's philosophy, we would be excited to review your application and meet with you to discuss the possibility of a "mutually rewarding" experience of coaching.

Please fill out the application below, and thank you for your interest in our program.

1. List your coaching experience

(Please detail all coaching experience including the sport(s), age/gender, no. of years at that sport, location of team, and any other specifics. Please continue onto the back of this sheet if necessary.)

3. List your organized basketball playing experience

(Please list information including when played, high school and college teams, organized intramurals, and any adult leagues, if applicable)
