2014 Baseball Season

Area Business Partners:

As we prepare for the 2014 baseball season, we hope that you will consider being a sponsor for one of Wisconsin's elite youth organizations, with a modest, but critical contribution. The Milwaukee Angels have represented the community well. We have distinguished the city's name in the surrounding communities with successful U8 – U15 teams for more than a decade.

Please consider one of the great opportunities enclosed. Your generous contribution allows us to pay Charter and insurance fees, equipment and supplies, as well as enable us to broaden the reach of our program that delivers strong family values and sportsmanship on and off the field. Your **tax deductible** donation also allows us to make necessary improvements to our practice facility at our Halo location, as well as, planning for a "Home of the Angels" field in the near future.

More importantly, your sponsorship also allows our organization to give back to our community and fund players and families who are not able to meet the yearly team contribution requirements. All of your contributions provide our children, a safe and exciting playing venue for the great game of baseball.

We would like to thank you in advance for your support. We hope to see you at our games in the spring of 2014!

Sincerely,

Milwaukee Angels
