The Player fully understands that these items are the property of NRV Elite and are to be returned in good condition upon request. The Player and Parent both further understand that the Player is responsible for excessive damage to the said equipment and uniforms.

b. Replacement Uniforms – The NRV Elite reserve final rights in determining the condition of any NRV Elite and/or Standard Equipment Issued (see 5.a.i). Therefore, if at any time the condition of equipment and/or uniforms administered to the Player is deemed un- satisfactory it will be the Player and Parent responsibility to replace the Property within seven (7) days of notification by the Organization. These fees are subject to change and will be discussed on a per occurrence basis.

(7) **Rules and Regulations** – The Player understands and agrees to comply with any and all rules and regulations, which are promulgated from time-to- time by the NRV Elite Organization. Any violation of the said rules and regulations may cause the Player to be suspended and/or dismissed from the team.

a. Missed practices & Tournaments – Attendance at events is important to the NRV Elite and the other players. As such, all players are expected to attend ALL events. All players should arrive to practice on time and ready to work. The TEAM is counting on you and suffers when all are not in attendance. If a player continues to be late to practice without explanation, his playing time may be reduced and can lead to removal from the team. IF a player plays another sport during the AAU season and misses tournaments due to this, removal from the team by the Coach will be permitted. These will be documented.

Practices are closed to all Parents.

Initials: _____

b. Playing Time – The Player and Parent understand that the NRV Elite coaching staff does not promise playing time to any player. In addition to this, the Player and Parent understand that the stands, team dinners, hotels, or parking lots at a tournament game are not the time to discuss this issue. The proper time to discuss playing time is before a practice or after a practice- preferably a pre-scheduled time. It is our philosophy that each player must earn his time on the court by competing for a starting position and demonstrating teamwork and sportsmanship both on and off the court. The player not the parent is encouraged to talk with the Head Coach.

b. Additional Players/Participation – The Player and Parent understand that if there's a need to fill a certain position on the team to compete, coaches may exercise their authority to pick-up additional players to add onto the roster. **ALL NRV Elite players cannot play with any other organization or team during the season without consent from the NRV Coach or Director.** Removal of the team with non- refund is permitted if deemed necessary by Director. Exception: High School Team Camps with High School Staff or School Athletics.

(8) **Sportsmanship and Academics** – The parent and Player understand and agree that undermining the coaches at practice or games does not promote a positive atmosphere for our program. All coaches in the NRV Elite Organization are giving their time and talent so that our children develop to the next level of playing. The following guidelines have been established to ensure that each Player is successful both on and off the court:

a. Academics – Each player will submit report cards from their teachers indicating their academic progress during the school year. The report card will be reviewed by your team coach only, respecting the privacy of each Player.

i. A negative report or and indicated area of struggle does not necessarily mean a Player cannot participate in activities. It does, however, allow the coach to gage a Players Academic Success and determine if additional assistance should be suggested in an area. The coach or Director can visit the school to offer any assistance and may do so from time to time.

ii. Misconduct reports from school will not be tolerated. These incidents will be discussed directly with the Parent and possibly the Player.

Initials: _____

iii. Players are expected to turn in all homework assignment on time and in an orderly fashion.

iv. Players are expected to obey the rules and regulations of their schools, teachers, and other staff members. They are also expected to respect all teachers, janitors, cafeteria workers, bus drivers, and fellow students at all times.

b. Sportsmanship – The Player and Parents understand that they need to respect all of the members, players, parents, fans, and coaches of the NRV Elite Organization. We will also respect all referees or opposing teams at all times. If a Player or Parent fails to behave accordingly, the NRV Elite Staff reserves the right to ask you to leave or sit a player on the bench. This is not a situation that we like to arise, so please at all times maintain the reputation that we have all worked hard to establish.

(9) **Insurance** – Each player agrees to maintain a separate “insurance” policy, which shall cover the player during all activities with the NRV Elite Organization. A separate “Waiver and Release” will be required to be signed prior to physical participation.
