

Dear Community Leader:

Port Washington Volleyball INC. is a nonprofit organization which started in January of 2021 and is led by a volunteer board consisting of parents of the participants in our program. Our efforts are to promote and strive for improvements in volleyball and academics by encouraging and recognizing high standards of sportsmanship. In that spirit, Port Washington Volleyball will ethically support the volleyball programs at Port Washington Saukville School District with contributions of time, goods, services and/or monetary support to augment the Port Washington Saukville School Districts volleyball programs.

Currently the Port Washington Saukville School District offers a 7th & 8th grade girls' program in the winter and a high school girls' program in the fall. Port Washington Volleyball INC., in its first year, has already expanded it's opportunities within the school district by offering a winter youth clinic for grades 1st-6th, a spring camp for grades 6th-8th, and a summer high school camp. Future plans in the works are developing a feeder program that participates in the Badger Region Youth League for grades 5th-8th, and the addition of a boys' high school program.

In 2022 we are seeking sponsorships to help us continue to increase the impact that can be made on youth in our community through the great sport of volleyball. The impact from sponsors like yourself will allow us to carry the momentum from this past high school season into the future of our program. The large issue we have is a limited budget from the school. There are numerous pieces of equipment in need of replacing. The main piece of equipment we are looking to replace is the high school net system. We have received a quote to replace the system. The cost to do so currently is approximately \$6,400.

Your donation to Port Washington Volleyball will allow us to expand upon a program that promotes physical literacy through value-based programs amongst youth in the community in which you work and may live in. Your sponsorship will be visible to a wide audience. A list of sponsorship levels and benefits of your business's sponsorship are listed on the next page.

If you have any questions regarding our program or would like to make a donation, please contact Paul Jungbauer, Head Volleyball Coach, at pmjungbauer@gmail.com. Thank you for your time and consideration.

Sincerely,

The list of equipment above comes from the Port Washington High School Coaching staff and is what the volleyball programs in the Port Washington-Saukville School District are lacking. Port Washington Volleyball INC. is seeking the help of cash or in kind donations to raise funds to purchase these items over the coming years, some of which will be an annual expense. In exchange for your donation of cash or in kind items from the above list, Port Washington Volleyball INC. will offer sponsorship benefits for your local business. The benefits of this sponsorship are listed earlier in this packet. Thank you for your consideration of helping youth in our community.
