

# PARIS VOLLEYBALL CLUB

## 2024-2025

### OUR MISSION

Paris Volleyball Club strives to provide a positive and instructional atmosphere intended to strengthen volleyball skills, foster enjoyment of the sport, and offer opportunities for competitive team play.

As an organization we believe every player and coach should strive to be better each time there is a learning opportunity. This belief includes volleyball fundamentals training, a positive and encouraging attitude, and a determination to succeed.

### COACHING PHILOSOPHY

PVC coaches want each player to improve during training sessions through Effort, Mental Toughness, and Personal Responsibility. These are three things that the players have full control over.

### DRESS CODE

Shorts, T-Shirts, Athletic Shoes, Kneepads are preferred.

### PRACTICE

Practice is essential to learn the skills necessary to play at a high level. Therefore, each player should attend practices consistently and give her best at practices in order to achieve this goal.

\*A player who will be missing a practice should inform her coach prior to the missed practice.

\*Parents are Welcome at Practice but are discouraged from Coaching from the Stands

\*Help Teammates with Transportation and Information when possible.

### WEBSITE - [www.parisvolleyballclub.com](http://www.parisvolleyballclub.com)

Check the website often for Practice Schedules, Future Opportunities to Play, Severe Weather Cancellations, and Coaching Videos.

### FEES

Club fees are collected for player training, equipment, and future coaching education.

### Parent/Player Concerns

If a player/parent believes there is a problem or issue, the player/parent should discuss it with her coach at an appropriate time. Her coach will be able to offer feedback for help with the situation and/or ways to improve her skills.

### Inclement Weather Policy

PVC will not automatically cancel practice if the local schools are dismissed or out of school. Practices will remain scheduled as planned unless Coaches decide practice should be cancelled. *Your coach will send you a text or post on the website if your practice is cancelled or rescheduled.* However, IT IS ALWAYS at the PARENT'S DISCRETION as to whether a player should attend practices where inclement weather is involved.
