

Sauk Prairie Basketball 5,000 Make Club Program

For all Boys 4th – 12th grades

Sauk Prairie's Basketballs Club's **5,000 Make Program** is a chance for you to improve your shooting skills over the summer giving you a goal you can achieve. The focus of the program is on shots made. Record the number of shots made each day over the course of the summer is all it takes to become a member of the 5,000 make program. If you start shooting in June and finish on September 30 that's just 313 shots made a week or less than 45 shots made a day. When you break it down it shouldn't take you more than 20 minutes a day to get up 45 quality makes. **So grab a teammate and get it done. You Can Do It!**

On the website is a ledger for boys entering 4th – 12th grade that would like to participate in the Sauk Prairie Basketball Club 5,000 Make Club Program. Simply fill in the form and have your parents submit results at the end of September to spbasketballclub@gmail.com.

Official starting date is June 1 (you can start before then). Ending date is Friday, September 30.

- Have your parent(s) / guardian initial each week.
- Total the number of makes at the bottom of the sheet each month and have your parent's submit the totals to the club email.

It has often been said that teams are made during the season and players are made over the summer. By working on your game this summer and getting quality shots up on a daily basis you will improve your shooting and give yourself an advantage over your competition.

5000 Make Member – 5,000 shots made over the summer, you will get your name listed on the web site, recognition at a varsity game, a 5,000 club t-shirt.

* Since WIAA rules prohibit giving gifts to high school athletes. Your name however will be listed on the website.

Set your goals and you will achieve them! You can do it!

Sincerely your Sauk Prairie Basketball Club
